DEFINITIONS

The Committee moved to present the following definitions to the Board at the April 20, 2007 Board Meeting for consideration to become the definitions in the Board's Proposed Regulations.

Definition of Social Worker

Individual who has graduated from a School of Social Work accredited by the Council on Social Work Education with a Bachelor's or Master's Degree.

Definition of Clinical Social Worker

Individual who has graduated from a School of Social Work accredited by the Council on Social Work Education with a Master's Degree and is professionally qualified to practice at an autonomous level.

Practice of Social Work

Social Work is the *basic generalist* application of social work theory, knowledge, methods, ethics and the professional use of self to restore or enhance social, psychosocial, or biopsychosocial functioning of individuals, couples, families, groups, organizations and communities.

Practice of Clinical Social Work

Clinical Social Work is the *clinical* application of social work theory, knowledge, methods, ethics and the professional use of self to restore or enhance social, psychosocial, or biopsychosocial functioning of individuals, couples, families, groups, organizations and communities. The practice of clinical social work requires the application of specialized clinical knowledge and advanced clinical skills *in the areas of assessment, diagnosis, and treatment of mental, emotional, and behavioral disorders, conditions and addictions*.

ADJOURNMENT

There being no further business to come before the Committee adjourned at 1:00 p.m.

David Boehm, Chair

Evelyn B. Brown, Executive Director
